#### POLICY TITLE: ADMINISTRATIVE LEAVE POLICY NUMBER: 2055

<u>2055.1</u> At times, it may become necessary to authorize administrative leave so an employee can be temporarily removed from the workplace. This may occur subject to an investigation into a safety or harassment incident, in which the employees absence is either necessary for safety or would promote a more efficient investigation. In addition, during certain large-scale emergencies, grants of temporary leave may be necessary to protect the health and safety of all employees. The purpose of this policy is to set forth guidelines for granting paid administrative leave.

<u>2055.2</u> Investigatory Leave: An employee may be placed on investigatory leave, without notice, pending an investigation into potential employee misconduct or safety compliance surrounding a work-related accident.

<u>2055.2.1</u> A supervisor shall immediately inform the employee of the investigatory leave and the reason it is being implemented. At the District Manager's discretion, an employee may be asked to surrender all company property at the time and be escorted from the workplace.

<u>2055.2.2</u> Within three days of being placed on leave an employee shall be notified in writing of the reason for the leave, the expected length of the leave, and any scheduled hearing or proceeding in which the employee may take part. A copy of this notice shall be placed in the employee's file.

<u>2055.2.3</u> Upon completion of the investigation, and dependent on its conclusion, the District Manager shall determine whether to retain the letter in the employee's file or remove it.

<u>2055.2.4</u> The investigatory leave shall not exceed 80 work hours.

<u>2055.3</u> Emergency Administrative Leave (EAL): Under certain emergency circumstances, the District Manager shall have the authority to grant paid administrative leave subject to the following guidelines. Employees granted EAL may be required to return to work, when feasible, to support essential operations.

<u>2055.3.1</u> Events affecting district facilities: Where a local event (i.e. gas leak, flooding, communicable disease transmission) causes either a shutdown of district facilities or prevents safe access to them, EAL may be granted to all employees until the situation is resolved and the facility can be safely reopened.

<u>2055.3.2</u> Major Disaster/Pandemic: In the event of a major disaster or pandemic which affects the district or its employees, EAL may be granted to all or individual staff.

<u>2055.3.2.1</u> A "major disaster or pandemic" includes any event subject to a local, state, or federal declaration of emergency or disaster declaration. This definition shall be interpreted consistently with 44 CFR § 206.2(a)(17) and Cal Gov Code section 8558.

<u>2055.3.2.2</u> EAL shall be granted at discretion of the manager utilizing any available guidelines provided by local, state, or federal authorities related to the triggering event.

<u>2055.3.3</u> When feasible, employees on EAL shall make themselves available to return to work within one hour's notice during their regular work period.

<u>2055.3.4</u> When feasible, the district shall prioritize placing employees on remote work status before granting EAL.

<u>2055.3.5</u> The District Manager shall provide a report to the Board at the first appropriate board meeting outlining all EAL granted and the reasons for granting the leave.

2055.3.6 Grants of EAL shall not exceed 80 hours.

<u>2055.4</u> Limited Discretionary Administrative Leave (LDAL): The District Manager may grant limited administrative leave at their discretion when deemed necessary or appropriate.

<u>2055.4.1</u> LDAL shall not exceed two working days (16 hours).

<u>2055.4.2</u> The District Manager shall provide a report to the Board at the first appropriate board meeting outline all grants of LDAL and the reasons for granting the leave.

#### FRESNO WESTSIDE MOSQUITO ABATEMENT DISTRICT

POLICY TITLE: REMOTE WORK POLICY NUMBER: 2085

<u>2085.1</u> In rare circumstances, remote work from home ("telecommuting") may be appropriate for the protection of health and safety of the employee or for the benefit of the District. Remote Work assignments are intended to be temporary and will allow an employee to work from home or another satellite location. Remote Work is not appropriate for all positions, and is not an entitlement. Temporary granting of Remote Work status does not alter the terms and conditions of employment. All employees on Remote Work are expected to adhere to all District policies and procedures. This policy will provide the framework for Remote Work including responsibilities, performance expectations, oversight and controls.

<u>2085.2</u> Eligibility and General Requirements for all Remote Work: The following guidelines outline eligibility and performance requirements for a Remote Work schedule. The District Manager may grant a short-term (1-2 days) Remote Work schedule outside of these guidelines for limited purposes (i.e training or continuing education).

<u>2085.2.1</u> The District Manager shall determine whether a position is eligible for Remote Work based upon the position's required duties.

<u>2085.2.2</u> Eligible employees shall have served in their current position for at least a year and shall have received satisfactory or higher marks for all categories in their most recent job performance evaluation.

<u>2085.2.3</u> The employee must demonstrate a high degree of reliability and be able to manage deadlines effectively. Remote Work must not reduce the employee's level of service or ability to communicate quickly and effectively with supervisors, fellow employees, and, where appropriate, the public.

<u>2085.2.4</u> *Working Hours:* All employees on Remote Work status are expected to maintain their normal working hours. Non-exempt employees shall maintain a record of worked hours and send this via electronic means to the District Office at the end of each work week. Excess (overtime) hours shall not be worked with prior approval from a supervisor. Employees are responsible for taking their required break periods.

<u>2085.2.5</u> Confidentiality: Remote Work employees are expected to take reasonable precautions to secure District equipment and information within their work space. All information related to work should be given the same level of protection as if the employee were working from the office. Reasonable measures to protect data security may include locked filing cabinets or desks, password maintenance (particularly when using personal equipment), and securing a private workspace within the home. The employee shall notify a supervisor immediately anytime there is a potential breach of confidentiality.

<u>2085.2.6</u> Safety: Remote Work employees are expected to take reasonable steps to ensure that remote workspace is free from potential safety hazards. Employees shall maintain all proper safety practices, including ergonomic safety, while working remotely. Potential safety hazards should be corrected immediately and, if unable to be corrected adequately, should be reported immediately to the employee's supervisor. The District's worker's compensation liability for job-related accidents will continue to apply during the employee's Remote Work hours. The District assumes no responsibility for injuries that occur outside of the performance of the employee's duties or outside of approved work hours. An employee must receive prior approval before taking on any duties outside their normal scope of work while on Remote Work status.

<u>2085.2.7</u> Failure to comply with any of the above or any other District rules, policies, practices, or supervisor instructions may result in termination of Remote Work status or greater disciplinary actions, up to and including termination of employment.

<u>2085.3</u> Voluntary Remote Work Schedule: The District may provide an employee the option to undertake a Remote Work schedule. This arrangement may be changed at any time by either the District or the employee.

<u>2085.3.1</u> The District may provide equipment for the employee to take home. District equipment may only be used for District business and the employee shall take care to ensure all equipment is used properly. Maintenance and repair of issued equipment shall be the responsibility of the District. The District may request the immediate return of District-issued equipment at any time and for any reason. If an employee chooses to use their own equipment for Remote Work, the employee is responsible for all maintenance and repair of said items and the District shall not be responsible for damages, repairs, or replacement of employee-owned equipment.

<u>2085.3.2</u> This is a voluntary status and not necessary for the performance of the employee's job. Therefore, the District shall not be responsible for any costs associated with the employee's voluntary Remote Work status.

<u>2085.4</u> Mandatory Remote Work Schedule: Under certain extreme conditions, an employee may be required to work remotely for a limited period of time.

<u>2085.4.1</u> The District shall provide all necessary equipment for the employee to work remotely. This will include access to District-provided internet through a connected tablet/mobile device or internet hotspot. District equipment may only be used for District business and the employee shall take care to ensure all equipment is used properly. Maintenance and repair of issued equipment shall be the responsibility of the District. The District may request the immediate return of District-issued equipment at any time and for any reason. If an employee chooses to use their own equipment for Remote Work, the employee is responsible for all maintenance and repair of said items and the District shall not be responsible for damages, repairs, or replacement of employee-owned equipment

<u>2085.4.2</u> Any costs associated with mandatory Remote Work status for which an employee expects reimbursement must be approved by the District Manager prior to such costs being incurred. Employees are expected to use the provided equipment and District-issued internet access, and the District shall not be liable for costs of the employee's internet access if they choose to use their personal service instead. Reasonable requests for cost reimbursement will be granted as the sole discretion of the District Manager.
